## Advanced Algebra for 7th Grade

Schedule: 2/7/25 – 6/20/25 (20 sessions) Fridays 5:00–6:30 PM

This course builds a strong foundation in advanced algebra for ambitious 7th graders, preparing them for BCA exams, private school applications, AMC competitions, or Honors Algebra 1 success.

### Course Highlights:

- Master advanced algebraic concepts such as equations, inequalities, functions, and polynomials.
- Build critical thinking and problem-solving skills through challenging exercises.
- Prepare for entrance exams (BCA, private schools) and math competitions (AMC).
- Boost confidence and readiness for high-level math courses.
