Noble Klass College Consulting Program

Over 50% of high achieving students do not apply to their target schools due to the lack of knowledge. At Noble Klass, we look to provide expertise and guidance to students in the Bergen County area to ensure that each student lands at the the school that they were destined to be in. We believe that the next advancement in education lies in allowing students to both realize and fulfill their potential. With a proven track record and a means tested strategy, our team at Noble Klass Academy is confident that we can deliver real results. The students who have joined us landed at some of their top choices and you can be next.

Mission & Vision

Dedicated to guiding students and parents through the college search and admission process, Noble Klass Academy offers a college consulting program that provides students and families with an individualized and inspirational roadmap through the challenging maze of college admissions.
